INFORMATION DISCLOSURE STATEMENT

Applicant submits the attached form PTO-1449 with references listed.

The references listed therein, while possibly of some relevance, are not necessarily considered to teach or suggest any aspect of the invention described and claimed in the above-identified Patent Application. Applicant(s) hereby expressly reserves the right to swear behind the effective dates of any of the references. Applicant(s) further reserves the right to question the relevance, materiality, and/or prior art status of the references in whole, in part, or in combination subsequent to the filing of this statement. This statement is also not to be construed as a representation that a search has or has not been conducted or that no better art exists. Rather, this information disclosure statement discloses references of which the associated individuals are aware.

In considering the references set forth below, it may be noted by the Examiner that certain of the references may contain markings, underlinings, and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the references. Any such markings were either present on the copies of the references obtained by the associated individuals or were made thereon during the study of the references by the associated individuals.

This statement is being filed within three months of the filing date of the application or before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050.
